

NURSERY UNIFORM POLICY

Nursery uniform plays a valuable role in contributing to the ethos of the nursery. It creates a sense of belonging to the nursery community. It instils pride and supports positive behaviour and discipline. It encourages identity with, and support for, nursery ethos. It ensures that pupils of all backgrounds feel welcomed and protected from social pressures to dress in a particular way. It is very helpful during nursery outings.

Creative Minds Nurseries provide for smart and user-friendly uniform which is affordable and sensible for children over the age of 2 years. **Please be advised that school uniform is compulsory for all children turning 3 years of age after 1st September 2017.** We do request parents to adhere to it. Your support of our uniform policy is critical for its success.

The nursery uniform consists of a red polo T-shirt and dark blue sweatshirt and joggers. Girls may wear a black skirt that can be bought from any school uniform shop. There is no uniform for children under 2 years of age.

We would encourage all children to wear nursery uniform.
