We authorise the nursery staff to attend to all matters relating to our child’s health while they are in the care of the nursery. In the event of an emergency, staff will take all necessary action, including arranging hospital treatment, and will inform us as soon as possible.
We agree that if our child becomes unwell or develops a contagious illness, we will collect them promptly once contacted. We also agree not to send our child to the nursery if they are unwell.
We understand that all staff have a legal duty to safeguard children. If a member of staff has concerns that a child in their care may be at risk of abuse or neglect, they are required to report this to the appropriate authorities.
By signing this form, we confirm that we have read, understood, and agree to the terms and conditions of admission to Creative Minds Nurseries. We also agree to adhere to all nursery policies and procedures once our child starts. These are available on CMN website.
